Testimonial re: Legal Expense Insurance

It is with great pleasure that I write this testimonial regarding the BICO Legal Expense Insurance. We have just successfully used this insurance product in a case that was scheduled to start trial on Monday, October 20, 2014. The matter had been mediated, then went through a pre-trial, and then went to another mediation, and yet the defendant's offers were pathetically low. When the second mediation failed less than three weeks to trial, we approached BICO about the Legal Expense Insurance. Our client, Mr. S, had assets, and did not want to risk those going to trial. The moment we informed the defendant that the plaintiff was covered by BICO's legal expense insurance, the defence offer increased more than eightfold. The claim ultimately settled with less than a week before trial and I firmly believe that one of the weapons in our arsenal was the BICO Legal Expense Insurance.

Yours truly,
