Dear Mr. Pauwels:

Re: BridgePoint Costs Protection

This is to thank you for the products that are offered by your company to the personal injury bar, particularly the Costs Protection Package.

Recently, we had a case wherein the Defendant brought a motion for security for costs as the client was out of the country and was living elsewhere. We were able to have the motion withdrawn once we supplied the Defendant with a Certificate from your company ascertaining the costs protection. This was accepted as valid security.

Once again, I have no hesitation to recommend your company to other counsel who finds themselves in similar situations. In fact, we have another case in which we intend to use the same approach.

Your assistance has been greatly appreciated.

Sincerely,
